

This comment is to present an argument in regards to preserving the K-LOVE radio broadcasts via FM translator in my area. K-LOVE is a valuable part of this community. Many listeners support this radio station, both in spirit and financially. The programs and music played provide positive inspiration, encouragement and enjoyment to those to tune in and supports wholesome family values. This same programming provides positive reinforcement to listeners and in some cases, has drastically changed lives. If K-LOVE were displaced by an LPFM broadcaster, the wonderful programming from K-LOVE would be lost to those in this community and there would be many who would be upset. Therefore, please do not allow any LPFM station to take priority over this FM translator service.
